SIR,

Hw 1917 3/9/7

I am directed to state that the Executive Engineer, Buildir Division, Bangalore, has, in his letter No.3878, dated the 31st May 1940, requested me to take over charge of the Advocates' Rooms attached to the High Court premises. It is found difficult for the High Court to take charge of the rooms with the furniture and fittings in them and to maintain them properly and in good condition with its present establishment and the funds at its disposal; and it appears necessary that a care-taker should be in constant attendance during court hours and should see that the rooms are kept clean and tidy and are safely locked up at night.

I am therefore directed to propose the appointment and provisions set out in the margin and to request that the Government may be pleased to sanction them with effect from 1st August 1940 and that the necessary funds may be provided under 18 Courts Law, 1. High Court - Establishment and Contingencies.

1. The appointment of a permanent care-taker on Rs.15-1-18 to be borne on the establishment of the High Court.
2. An annual provision of Rs.90/- for Electrical power charges and contingencies relating to lights and fans.
and 3. An annual provision of Rs.50/- for repairs etc., to the furniture.

2. I am to add that for the present the Government Advocate has agreed to take possession of the rooms with the furniture therein and the books received from the Dewan's Office for the use of Advocates.

I have the honour to be,

Sir,

Your most obedient servant,
